Getting disabled kids swimming

Free swimming lessons for disabled children in Doncaster

Level Water is offering free swimming lessons for disabled children. We fund lessons for children:

- Aged 4 to 11
- With a physical, hearing or visual disability
- Without a major behavioural, social or learning difficulty
- Who cannot swim ten metres

Why free swimming?

Swimming is a great sport for these children, but it can be ineffective or unsafe for them to learn in mainstream groups. Level Water provides small group and one-to-one lessons until they are ready to join a mainstream class or competitive club.

How does it work?

We work in partnership with dclt in Adwick, Armthorpe and Dearne pools. Their teachers receive specialist disability training. They will then deliver your lessons as normal, but we cover the cost until your child is ready to move on.
